

HEALTHY MEALS 4 ALL 5K 2022 RUN AND WALK

Hello,

I'm excited to share the opportunity to help feed our community by supporting our Healthy Meals 4 All 5K! Our race is being held on November 5, 2022 at the Harleysville Community Center.

Garden of Health Food Bank is a 501(c)3 nonprofit organization dedicated to helping low-income families and seniors access healthy food in order to thrive. The food bank envisions a future in which every child and adult can access the nutritious food and produce they need to live healthy lives, regardless of their income level or dietary needs.

During these unprecedented times, our food bank has been thrust into the front lines to serve the new population of people who are food insecure. In 2022 we have moved from a 1,700 square foot space to a 7,500 square foot space and now support over 50 food pantries and over 230 families!

Your support of our Healthy Meals 4 All 5K will go directly to help feed our community through the following programs:

- **Food Pantry Support** - Delivering fresh produce and healthy shelf-stable food to over 50 food pantries.
- **Individuals & Families** - Supporting over 250 families & individuals with access to healthy food every month.
- **Weekend Meal Program** - Supplying seniors and veterans with six nutritious shelf-stable meals to last a weekend when access to other programs is not available.
- **Garden of Hope** - One-acre vegetable garden in Harleysville, PA. Through our new partnership with Hatfield Township, we will start a new 8-acre farm in the fall of 2022!

On the next page, you'll see our numerous opportunities to promote your organization through sponsorship of our race. We hope you will get excited to jump in and support this community event. Your donation will help us to continue to supply healthy food to our hungry community members.

Sincerely,

Carol Bauer
Executive Director, Garden of Health Inc. Food Bank
